

Nikos

Sergio Bicego

It is especially comfortable thanks to the soft down padding and it is fitted with an ergonomically-designed lower back cushion to support the lower back area. Nikos has a painted metal base (in anthracite grey, white, dove-grey, brown, red or green) and it is available in fabric or leather. The Nikos family features also: a low armchair (Nikos low), a quilted version (Nikos ego), and a settee (Nikos Sofa).
